2019 LODI OLD VINE ZINFANDEL

ABOUT THE BRAND – Go ahead. Close your eyes. Breathe the air. Feel the sun on your face. Let your mind wander. When our winemaker, Steve M, sauntered into our beautiful estate vineyards planted on the rich, sandy loam soils in Lodi, he was inspired to follow his path in crafting a resplendent collection of wines that capture the carefree feeling of drifting. Go ahead and taste the delicious wines Steve M made from the vines he fell in love with. Take a sip. Let your mind wander. Choose your own path.

WINEMAKERS NOTES - Such is the case when Lodi's signature grape falls into the hands of a dreamer, like Steve M. Sweet cherry, blueberry, pepper spice and plum aromas and flavors leap from the glass, sending one's imagination back to a simpler time.

CHEF RECOMMENDATIONS – Old Vine Zinfandel would be a perfect companion on most any culinary path. This fun and fruity variety is friendly with an array of cuisine, including sweet, tangy barbecued ribs, slow-roasted beef brisket, hamburgers, roasted duck and pizza. Cheese, please? Why, of course. How about a plate of firm and salty Manchego, smoked gouda, Parmigiano-Reggiano and gorgonzola dolce? Whichever direction you take, a pleasant experience awaits. Vegan friendly.
